

Stayin' Alive

Biography

For over 40 Years, a time span more than any other group in pop history, The Bee Gees" have been outwitting the international music scene with their incredible tenacity to remain current through all time spans of contemporary music.

The close high harmonies of brothers Barry, Robin and Maurice Gibb have made the Bee Gees one of the most impossible attractions in music to launch a tribute to...Until "Stayin' Alive.

The vocal match of Mitch Seekins, Todd Sharman and Tony Mattini, create an eerie sense of seeing the brothers Gibb alive in concert...an event virtually impossible to see today.

By 1979, the Bee Gees had made five platinum albums including 35 hit singles, 9 of them reaching #1 on the Billboard charts. The album "Saturday Night Fever" alone sold over 30 million copies and the hits keep coming.

The Canadian production "Stayin Alive" is a unique recreation of one of the top acts in music history. Backed by a live band this production is an obvious hit for audiences of all ages.
